

Receive Monetary Donations

Last Modified on 04/27/2022 12:02 pm EDT

Offer several ways supporters can give monetary donations through the campaign. Include all donations received as part of the total raised on the **Home** page [fundraising goal](#), sharing how close you are to reaching it.

Donation options

Choose from the options listed below.

Text to donate

Registered users can text **Give** or **Donate** and the donation amount. The dollar sign (\$) is not required. As an example, to make a hundred dollar donation, text **Give 100** or **Donate 100**. The donor will receive a text their donation was received. A [keyword](#) is required in order to allow text to donate to a campaign.

Note: Donors will bypass [credit card requirement](#) and will not be prompted to pay immediately.

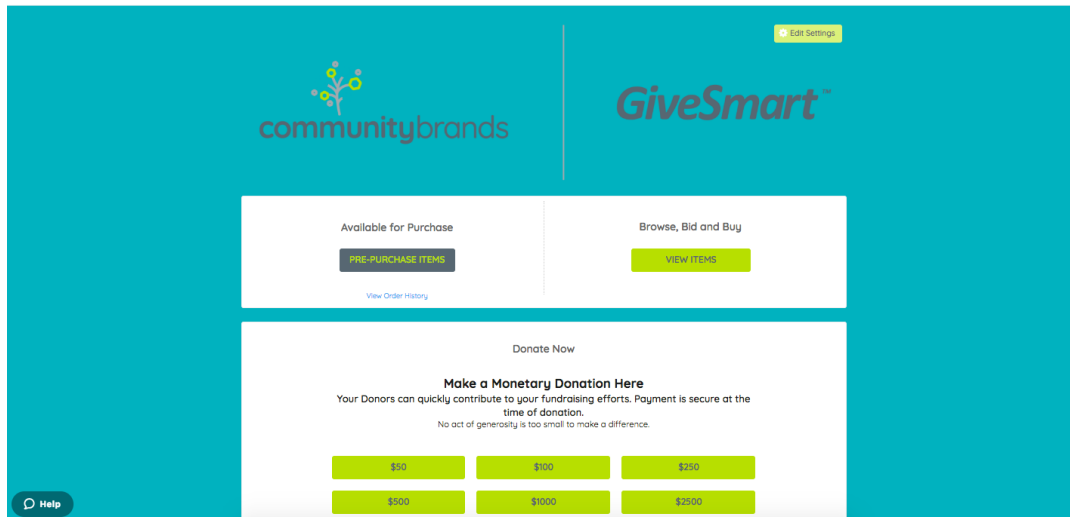

Steps to register and donate

1. Text the **Keyword** to 76278.
2. Follow the prompts to receive the registration text.
3. Text **Give AMOUNT** or **Donate AMOUNT**.
 - Enter the desired dollar amount.

Capture donations with immediate payment

Donors choose from the [Donation Levels](#) offered or any amount from the **Home** page **Donate Now** section. If [Recurring Donation](#) is an option, supporters can choose to make a one-time or monthly donation. Payment is required immediately on a credit card of choice.

Note: Donors bypass registering on the campaign, but are prompted to **Create an Account** to support future fundraising initiatives you host or they can return to the **Home** page.

Donate and Item page donations

Feature donate items as well as the [Click to Donate](#) option. Where the [Items page](#) shows all fundraising items, the [Donate page](#) only includes donation options available. With [self-checkout](#) available on the campaign, donors add the donation to their cart and are prompted to either continue browsing or pay.

Click to donate

Allow supporters to make a donation of any amount to the general fund. The [Click to Donate](#) cannot be edited but can be hidden from the [Items](#) and [Donate](#) pages.

Note: When Click to Donate is hidden, it will still be visible to admin.

Donate items

Allow supporters to make a donation towards a specific initiative or goal at any or set amount. Generally, these items represent goals such as a new playground, support a family, etc. Visit [Create an Item](#) to learn more.

Order form donations

Allow visitors to purchase [tickets](#), [instant or raffle items](#), or make a donation on the [Home page](#) or [Page with an Order Form](#). Donations levels are set from [Donation Settings](#). Payment is required immediately on a credit card of choice.
