

Cater to your Audience both In-Person and Virtually

Last Modified on 05/04/2022 12:37 am EDT

We are all looking forward to returning to in-person events in 2022! It's been a long time coming.

But, what can your organization do to continue catering to the virtual audiences you've built since early 2020? And what do you need to add to your 2022 events checklist when planning in-person events?

This webinar will include:

- The in-person event checklist items you've forgotten since March 2020. . . Cobwebs, anyone?
- How-to's for virtual event components for your virtual audiences abroad
- Ways the GiveSmart platform can support your 2022 in-person and hybrid events
- And more . . .
