Slideshow Display

Create a slideshow to share helpful tips, fundraising information, and sponsors. Multiple slides rotate approximately every 10 seconds. Slides can be customized, added, removed, and re-ordered. It is a wonderful complementary visual to any audio/visual components you already have incorporated into your fundraiser if you have the AV equipment to support it.

Name

Customize Slideshow Display name.

Header/Footer

Set Background and Text color

Content

- Title
  - By default, the Display Name set in Global Settings will appear.
  - Maximum 40 characters.
