Map

Include a Google map of your venue or a particular location. Adjust the default title or leave it blank (30 character limit). At a minimum, a city and state are required. Show or hide the Google map on the **Home** page.

Tip: Campaign timezone is set from the City and State entered.

Contact Us

Adjust the default title or leave it blank (30 character limit). Include instructions on who to reach out to with questions (200 character limit), and provide a phone number and email address. Adding an email creates a clickable link for visitors.

Share Links

Promote the campaign through Facebook, LinkedIn, Twitter, and email. Adjust the default title or leave it blank (30 character limit). Content cannot be formatted when sharing. Choose to show or hide the sharable links on the Home page.
