

Update a Champion's Fundraising Page Status

Last Modified on 05/22/2022 7:30 pm EDT

Once the [champion](#) or admin customizes the [personal fundraising page](#), there is an approval process for the personal fundraising page to be visible. Champion pages have three statuses in the approval process.

- New
 - The fundraising page is not viewable to the public.
 - A banner appears at the top of the champion fundraising page with a link to request approval to go live.

- Waiting for approval
 - Champion clicked request for approval.
 - The fundraising page is not viewable to the public.
 - Banner states' request was submitted.

- Live
 - Campaign admin has approved the site.
 - The fundraising page is visible to the public.

To update the page status

1. From the **Admin Navigation**, select **P2P (Champions)**.
2. Locate the champion.
3. Click on the dropdown arrow to the right of the champion in the table.
4. Click **Edit Champion**.
5. Adjust the status by clicking on the dropdown arrow.
6. Click **Save**.

Note: Campaign admin receives an email notification when a champion requests approval to go live. Champion receives an email notification once the fundraising page is approved.
