Can I limit the number of raffle items that are sold?

Yes. When creating the Raffle item from the Item page, enter the quantity available within the Numbering and Pricing Section. Make sure to save all changes.

Numbering and Pricing

A raffle item is a collection of raffle tickets. Raffle items can be offered at a single price or at a discount price based on quantity purchased. Each raffle ticket is assigned a unique number beginning with the starting number indicated below.

Starting Number

<input type="text" value="3"/>	for	<input type="text" value="5.0"/>
<input type="text" value="5"/>	for	<input type="text" value="15.0"/>

If I hide the raffle item base price, can user's purchase single raffle tickets?

Yes. When **hide base price from user** is selected, this will hide the button option from the user view. However, user's can still purchase single raffle tickets via the Quantity field. It's important to assign a true base price to a single ticket.
