Each item detail displays a history of bids or purchases. Choose how the item history appears to users.

The screenshot shows an item detail page for 'Movie Tickets' with a current bid of \$20. Below the item name is a 'Place Bid' form with a 'Bid' button. To the right is the 'Item History' section, which is highlighted by a blue arrow. The history table shows two bids:

Bidder Name	Amount
Bob Boblaw	\$15
Bid McBidder	\$20

TIP: When in Admin pageview, the Item History and names will always be visible. Switch to the **Donor** pageview to confirm what users will see.
