

# Change Raffle Labels

Last Modified on 05/20/2022 12:30 am EDT

Change the name of raffle labels to indicate alternative fundraising opportunities, while maintaining raffle item functionality. This allows for raffle-like items to be sold without the label of 'Raffle' being attached or indicated from the Users perspective.

**Note:** Admin will still see the term Raffle indicated on the Dashboard, as an item type option when creating a new item, and on reports.
