Manage and customize campaign receipts, statements, tax letters, and item donation letters. Create a personal registration text, which is sent once a user completes registration, is added as a new user, or is checked-in. Include a note on your statements, such as your 501(c)(3), a "save the date" for a future event, or a thank you to supporters.

Locate settings

1. From the **Admin Navigation**, select **Settings > Welcome & Acknowledgements**.

Welcome text

Choose the default content or personalize the welcome text. Include a Bitly link to link the recipient to the campaign. There is a character limit of 102, which includes spaces. The welcome text is sent to users after completing registration, or when:

- A user registers online.
- A user texts to register.
- A user is checked in by an admin at registration.
- A user is added as a new user from the Users page.
- An admin sends the welcome text through Messages.

Note: Campaign admins are prompted to log in through the welcome text sent after texting into the campaign. Users, who text to register, go directly to the campaign location tied to the Bitly link within the welcome text.

Content

Default

Welcome to ##EVENT_NAME##! View auction/donate here ##WELCOMELINK##.

Please note: Content is dynamic based on event settings.

Customize Message

Note: Welcome messages are required to include "TXT STOP to stop, HELP for help. STD MSG&DATA rates apply." Text messages can only contain links directing users to a GiveSmart campaign. External links are not able to be sent from the GiveSmart platform.

Tip: Include a bitly link within the text. The link takes them to the Items, Home, Donate page,

etc..
