

# Self-Checkout

Last Modified on 05/18/2022 12:51 am EDT

Review your purchase summary and make a payment from your **Pay** page on the campaign, with either a credit card on file or a new one added.

**Note:** Payments made in a method other than credit card must be handled by an admin on the campaign.

## Self-Checkout

When you are ready to pay, review the items in your cart and choose to pay either with an existing credit card on file, enter a new card or select between Google or Apple Pay. Once your balance is paid in full a statement is automatically emailed to the address added to your account.

1. Visit the **Pay** page at the top of the screen.
2. Review the purchase summary.
3. Enter a credit card, use the one on file or select Google or Apple Pay.

4. Click **Pay**.
5. Once payment is secured, a red **Pay** stamp appears.
6. Show the **Pay** stamp at the time of item redemption to confirm payment was made.
